MARISA - CARO 3

### Verse 1:

My God what do you see  
Looking down upon me  
A humble heart or ankles chained  
Break me, set me free

### Verse 2:

Do to them what you have done to me  
Bring more than light in the morning  
Flood down from the highest peak  
Open eyes to sacrifice, (and freedom) (2x)

### BRIDGE:

Come down Christ Jesus... Come

### CHORUS:

How can they go on about their day  
Thousands upon thousands will not acknowledge  
City of lights in the valley below  
Leave time tomorrow (2x)

### Verse 3:

I sit here on the mountain-side  
As I look down I wonder why  
What then Lord do you see  
Beautiful view or empty offering (2x) hold
